

TRAILSEAL[®]

TAILGATE GASKET

FROM
ACI[™]
AGRI-COVER, INC.

TrailSeal Tailgate Gasket is designed specifically for tailgates. It provides a firm cushion and tight seal when closing the tailgate preventing dust, rain and snow from getting into the bed of your truck. It will compress and self-form to any tailgate configuration and can be used with toppers, lids or tonneau covers on any vehicle.

Quality Features

Protect Your Cargo - Keeps the inside of your truck box clean and dry by sealing the gaps located around the tailgate.

Fits Any Tailgate - Large enough to seal big gaps, yet compressible enough for small ones. Seals all gaps around the perimeter of the tailgate.

Quick & Easy Installation

ACCESS™

STORAGE POCKET

NEW
PRODUCT

The revolutionary Storage Pocket Cargo Organizer is a valuable addition to your truck bed by turning wasted space into an easily accessible storage area. Rugged enough to hold tools and sporting gear, and versatile enough to hold shopping bags, everyday items, and much more. Sold individually (1 per kit).

Quality Features

Easy Install & Convenient Storage - Unique design adjusts to fit truck boxes with inside wheel wells and allows you to store cargo within reach at the rear of your bed.

Heavy Duty plus added Hauling Capacity - Manufactured from stylish painted black aluminum that is not affected by spilled gas or oil, and still allows full space between wheel wells for large cargo hauling.

Accessory Friendly - Access Storage Pocket is the perfect accessory to toppers, lids, and tonneau covers. Keeps items within easy reach and eliminates clutter in the bed.
