Extendable Replacement Mirrors are not recommended for vehicles with additional features such as memory, turn signals and puddle lights

Towing Mirrors

A. Universal Towing Mirror

Extends your vision further with a fully adjustable mirror. Uses moveable feet, securing clamps, and a tightening knob, for a secure fit without annoying vibration! Aerodynamic and durable styling. No tools required.

CIPA#	Description
11960	Universal Towing Mirror

C. Adjustable Clip-On Mirror

Designed with large and uniquely shaped mirrors in mind, our Adjustable Clip-On Mirror installs in seconds and fits mirrors from 7" up to 10" tall. Adjustable mirror head allows you to customize your view, and rubber straps secure the towing mirror to your existing mirror.

CIPA#	Description
11952	Adjustable Clip-On Mirror

B. Dual-View Clip-On Towing Mirror

Provides better towing vision than any towing mirror out there! This innovative product features two fully-adjustable mirror surfaces that allow you to completely customize your viewing area. The larger, flat mirror surface gives you an accurate perspective of what's behind you, while the smaller, convex mirror surface acts as a built-in blind spot mirror. Plus, our fully-enclosed mirror head design not only reduces wind vibration, but also ensures that the **DUAL-VIEW CLIP-ON's** adjustable mirror surfaces stay right where you put them! Adjustable arms are designed to fit mirrors from 7" up to 10" tall, pictured here on a Ford Econoline mirror.

CIPA#	Description
11953	Dual-View Clip-On Towing Mirror

D. Clip-On Towing Mirror

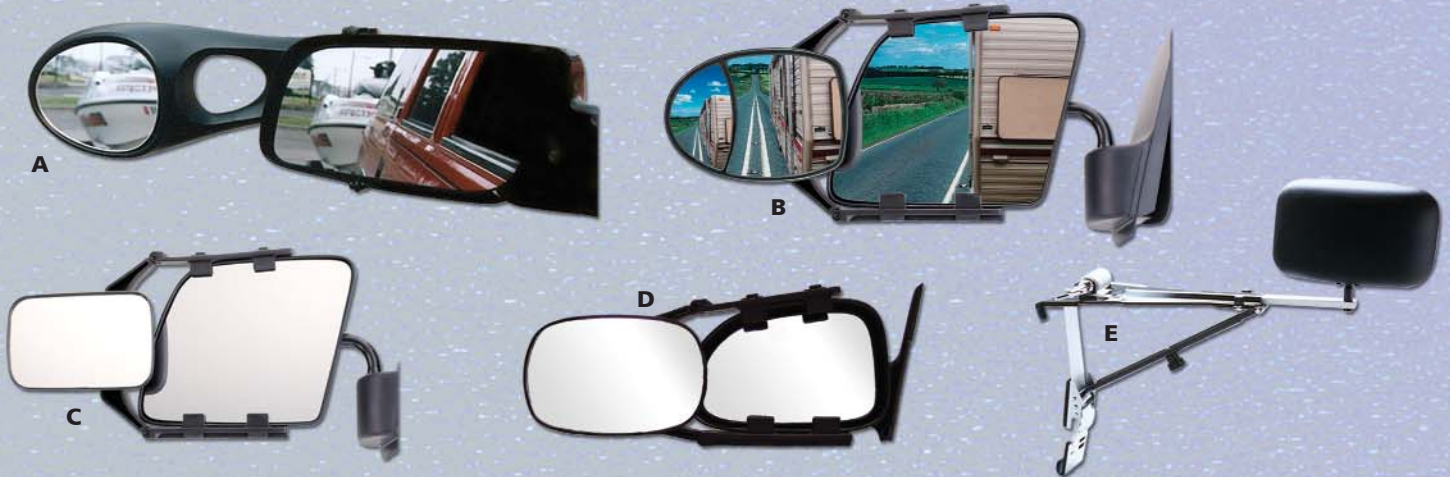

Easily adjustable arms for many applications. Rubber straps secure clip-on towing mirror to your existing mirror.

CIPA#	Description
11950	Clip-On Mirror

E. Deluxe Door Mount Mirror

Fits most cars, trucks and vans. Installs in seconds and extends out 17" for maximum towing vision, with non-scratch mounting pads.

CIPA#	Description
11650	Door Mount

Hotspots

Convex blind spot mirrors feature convenient stick-on mounting. Eliminate blind spots for safer driving, passing and changing lanes. Great for all vehicles.

TWISTEP

TWISTEP securely attaches to your hitch receiver to provide you with better access to your Pickup or SUV! Helps you load wood, supplies, hunting gear or pets safely and easily.

TWISTEP for Pickups fits 2" (Class III) receivers and holds up to 500 lbs. Stable and durable, the large steel platform (20" x 18-1/4") extends up to 3' from the hitch receiver to accommodate a lowered tailgate.

TWISTEP for SUV's fits both 2" (Class III) and 1-1/4" (Class II) receivers. Holds up to 500 lbs. with a Class III hitch, or 300 lbs. with a Class II hitch. A lateral column-adjustment feature makes the **TWISTEP for SUV's** universal to fit most SUV models.

Both **TWISTEP** models have a minimal effect on ground clearance, are easy-to-use, and quick to stow. Non-slip surface for safety and corrosion-resistant coating for durability. Manufactured by OT, LLC.

CIPA#	Description
06510	TWISTEP for Pickups (2" tubes only)
06610	TWISTEP for SUV's (1-1/4" & 2" tubes)

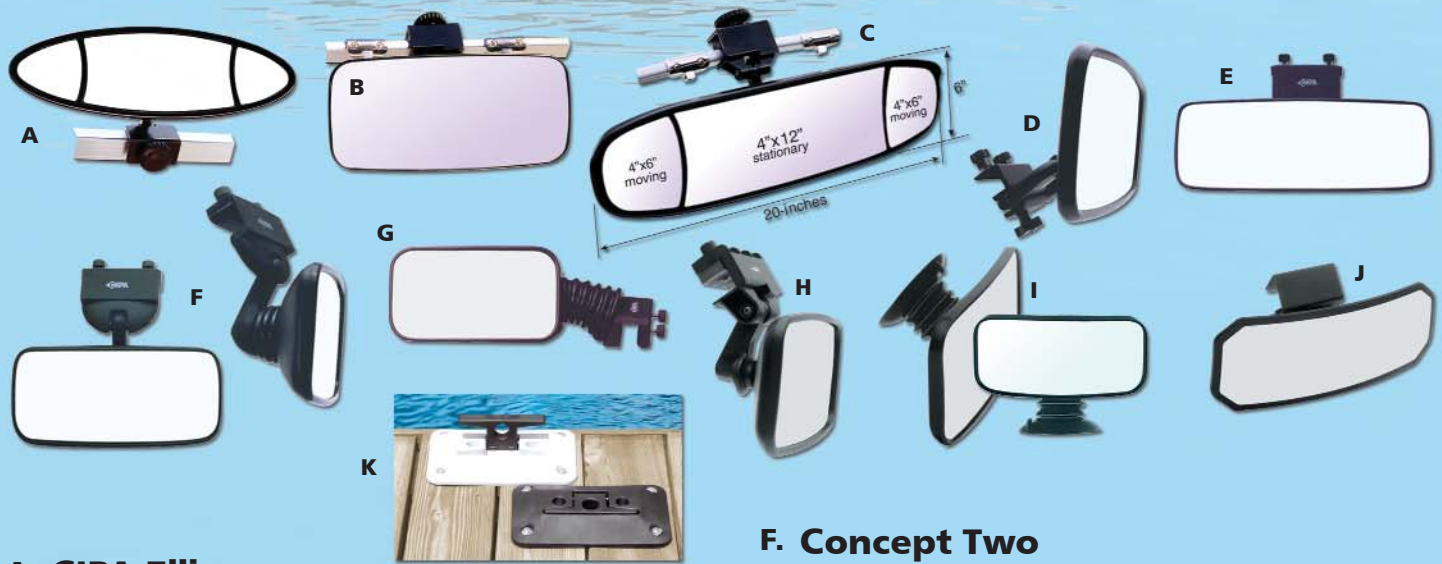

Step Hitch

The **Step Hitch** provides you with better access to your Pickup or SUV - with a bright red reflective surface for increased safety and visibility! Made with durable die cast aluminum, the **Step Hitch** is as durable as it is convenient - and easy to use! Simply install the **Step Hitch** on any 2" receiver tube, and enjoy the benefits of having a step right where you need it!

CIPA#	Description
60050	Step Hitch (fits 2" receiver tubes only)

Premium Boat Mirrors

A. CIPA Ellipse

This 4" x 11" multi-lens mirror features one stationary and two adjustable lenses. Also has a ball and socket tension adjustment knob that will keep the mirror where the driver positions it. CIPA's new windshield frame bracket will mount to rectangular or round top windshield frames from 3/8" to 1 1/4" thick.

CIPA#	Description
