

BEDLOCKER®

Electric Retractable Tonneau (black powder-coat finish)

Textured black powder-coat finish

4-button remote control can be wired to OE door locks

- Hard tonneau cover retracts into canister at the front of the truck bed
- Durable black powder-coat finish on rigid aluminum panels
- Patented silicon weather hinge provides a tight seal between the aluminum panels
- Electromagnetic brake locks cover in any position
- Electric motor and cargo light operated by remote control
- No-drill, clamp-in design (in most applications) for installation in about an hour
- Low-profile, aerodynamic design increases fuel economy up to 11%
- Fits over 5th wheel trailer hitches
- Now comes with WeatherGate™ tailgate seal

BedLocker® is **Pace Edwards'** innovative electric retractable tonneau cover. Its flush mounted clamp-in design and textured black finish offers tremendous strength, security, durability and style. Operated via remote control, BedLocker® opens and closes at the touch of a button in less than 30 seconds and can be stopped at any point. The BedLocker® remote control can be wired to lock your power door locks as well as our PowerGate™ electric tailgate lock to provide complete remote security for your truck. With its drop-in clamp-in design, BedLocker® requires no drilling on most applications and installs in less than one hour. The BedLocker® provides a cargo light for optimal visibility and is equipped with a powerful motor drive for the ultimate in performance and reliability.
