AMERICA'S NO.1 SELLING TRUCK BED COVERS

BLACKMAX™

THE BOLD, ALL BLACK TONNEAU

FEATURES ALL BLACK FRAME WITH EASY FRONT ACCESS AT THE CAB RAIL

One finger removal

LEVERLOCK™ CORNERS
The BlackMax corners feature Extang's impressive new "LEVERLOCK™" attachment. Pull back the lever and the tail rail unlocks and quickly disengages for bulk hauling. When the lever latches you know it's locked. "LEVERLOCK™" securely stays in place and will not vibrate loose. All this with one finger!

lie smooth and look good in any weather. The thick polymer edging also keeps your snaps from ripping out!

Tarps designed for strength & good looks

Corners don't buckle up due to parachute grade nylon corner reinforcements. Snaps & corners are backed with thick polymer forcing the corners and edges to

Quick access to front of truck bed

Quickly place items in the bed near your cab door. It's quick and convenient.

Snaps are your tonno's most important part

MAXSNAPS™
Fiberglass reinforced nylon makes the BlackMax's snaps strong and durable. Tested and proven under intense usage for years in the lab and field. Extang's patented "MAXSNAPS™" will not break.

SNAPSTOPPER™
Extang's SNAPSTOPPER™ is a small detail that means a lot. Roll up your tarp, carry a large load and the snaps will stay on the rail.

Bow height adjustment

Extang's MONSTER BOWS™ quickly spring on and off with no tools. It's fast and easily done with one hand. The TUFFKLAMPS™ allow two bow heights: **HIGH** for maximum water shedding in harsh weather, and for improved gas mileage. **LOW** for sporty good looks and cold weather tonneau attachment.

Quicker installation

TUFFKLAMPS™
Our TUFFKLAMPS™ simply drop into the rail channels (works well with bed liners). Easy on. Clamps tight.

Bows will never fall off

The MONSTER BOWS™ ends are spring loaded for easy installation. They will never fall off at any speed or even with the roughest driving conditions. Simply push and hold on one end and let the other end slide on using the spring action. They are Extang engineered for simplicity, speed of install and everyday convenience and confidence.

Extang makes the ONLY tonnos that work well in cold climates

Stud low for tight fit in **hot** weather
Slide off, flip over, then slide on again
Stud high for looser fit in **cold** weather

Protect it!

It cleans, beautifies and protects tonneaus in 1 step! Powerful UV protectant that is formulated precisely for our tonneau material. Tonno Tonic is the only vinyl cleaner and conditioner approved for use on Extang tonneaus.

3 QUICK, EASY STEPS FOR BULK HAULING:

1 Roll up & secure your tarp

Your tarp can be quickly rolled up and secured with strong convenient Velcro® straps allowing you to haul large items.

2 Click out tail rail

New "LEVERLOCK™" corners allow you to attach or remove your tail rail instantly. No tools or screws required. "LEVERLOCK™" corner attachments firmly hold your tail rail in place.

3 Remove your Monster Bows™

Extang's MONSTERBOWS™ have been designed tall and wide making them super strong and are easily removed with one hand.

The true leader in engineered design excellence... Extang has more U.S.

patents than all other tonneau companies combined!
