

TruXedoPlus® Features & Benefits

Toolbox & Soft Roll-Up Tonneau Cover Combination

- Cargo protection
 - 11" deep and 18" wide toolbox with skid-resistant mat to keep cargo stable.
- Smooth design
 - Toolbox is black powder coated and blends into the tonneau cover – Compliments the look of any truck.
- Secure & lockable
 - Latch is concealed by the cover and toolbox is lockable for the safety of your cargo.
- Heavy duty construction
 - Durable aluminum construction – Built with a continuous hinge and reinforced lid for strength.
- Limited lifetime warranty on tonneau cover and one year warranty on toolbox.
- Easy, no drill installation.
- Aerodynamic design improves gas mileage up to 10%.
- Industrial strength, leather-grain fabric.
- Approximately 1 ½" above bed rails.
