

TruXport[®] Features & Benefits

Economical, Soft Roll-Up Tonneau Cover

- Smooth look
 - No covered wagon style arched bows.
- Works great when it's cold
 - Velcro affixed to side rails for continuous contact. No cumbersome snaps to freeze, stick, rust or break. No need to stretch the fabric to get the cover closed.
- Fast install
 - Easy clamp-on installation in minutes
- Quick one-person operation
 - No loose parts – Cover completely rolls up and self stores in seconds.
- Adjustable tension control
 - Integrated into the latching system for easy access. Adjusts in seconds to keep the cover tight.
- 5 year warranty.
- Easy, no drill installation.
- Aerodynamic design improves gas mileage up to 10%.
- Dual side latching provides added security when used with locking tailgate
- Industrial strength, leather-grain fabric.
- Approximately 1 ½" above bed rails.
